E-mail: montgomerycountyanimalcontrol@yahoo.com

ADOPTION INFORMATION

Thank you for your interest in adopting your pet from Montgomery County Animal Control. Our adoption fee covers some of the costs incurred by the County. Not all puppies and kittens have received all boosters or vaccinations because of their age. It is your responsibility to furnish the necessary booster shots. **If the animal does not work out, you must bring it back to the Montgomery County Animal Facility.** (Adoption fees are non refundable. Discounts available for animals over 6 years of age or for multiple adoptions at same time.)
